*A Message From . . .  
His Grace  
The Archbishop  
of Rupert's Land*

Greetings to the Rector, Wardens, Vestry and People of All Saints' on the occasion of your 60th Anniversary.

I remember seeing the old Church the first time I was in Winnipeg — in September, 1926, for the Annual Meetings of the General Boards. Then later, in 1931, I had the pleasure of taking a Mission in the present Church. So I write not as a complete stranger.

Five years from now this Diocese keeps its 100th Anniversary; though, of course, the ministrations of the Church had been provided in this area for the best part of a third of a century before that.

But taking the hundred years as the period of the official existence of the Diocese, All Saints' has been in existence for more than half of it, and during that period has played a worthy and increasing part in the common task and responsibility of building and extending the Kingdom of God in this part of His vineyard.

Long may that witness continue—situated as All Saints' is, at the very centre of Winnipeg's expanding life.

Affectionately yours,

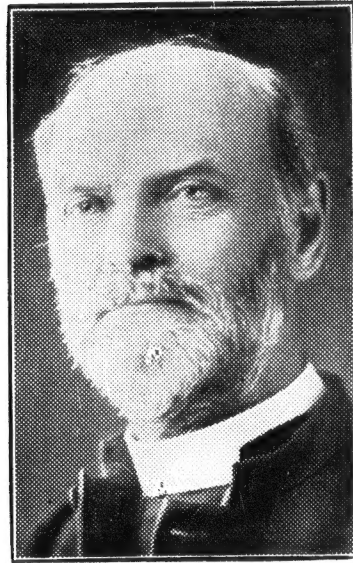

*L. Ralph Rupert's Land.*

MY DEAR RECTOR  
and PARISHIONERS  
OF ALL SAINTS'

M. M. HARDING, ARCHBISHOP

The sixtieth anniversary of the creation of your Parish will give many the opportunity of calling to mind the struggles and the victories of the past, the precious memory of those they have loved long since and lost awhile, and also the consolations and blessings they have enjoyed when worshipping first in the dear old brown wooden church, and later in the large and more stately church which they have helped to build and learned to love more and more as the years pass by.

Perhaps the best prayer the Parishioners can offer during the sixtieth anniversary is the prayer included in that "for the Church Militant here on earth": "We bless thy Holy Name for all thy servants departed this life in Thy Faith and fear, beseeching Thee to give us grace so to follow their good example, that with them we may be partakers of Thy Heavenly Kingdom."

During the last sixty years All Saints' has been one of the most prominent of the Church's beacon lights in the Diocese and Province of Rupert's Land, and thousands entering Western Canada having seen that light and kindled their torches thereat, have gone forth with renewed faith to establish the Church of their Fathers unto the utmost bounds of the West and the great North lands.

Affectionately,

M. M. HARDING, Archbishop

**HONORARY/MAJOR THE REVEREND WILLIAM ASKEY, L.TH. (Dunelm) E.D.**

Appointed Rector of All Saints' Church, February 1933.

Enlisted for Active Service, September 3rd, 1939.

Appointed for full time duty, December 1939.

Chaplain to the Winnipeg Grenadiers from September 1939 - September 1941.

Senior Chaplain 4th Canadian Division, October 1941 - June 1943.

Returned to All Saints' Parish, August, 1943.

## A Message From The Rector

---

*My Dear People:—*

In writing a few words for this booklet commemorating the 60th Anniversary of the founding of All Saints' Parish, my mind goes back to my first contact with the Church. It was in 1918, when the Rector, the Rev. Canon Loucks invited me to preach the sermon at a morning service during the month of July. This was of course in the old wooden Church, and I remember the fine rendering of the Service and the splendid congregation. At that time I was a Padre attached to M.D. 10. In September of the same year my wife and I were married by the Rev'd Dr. Robert Johnstone. Again, in 1926, it was my great joy to be present at the ceremony of the laying of the foundation stone of the present Church, and so it seemed a happy reunion when, in 1933, I was asked to come from North Vancouver to become the Rector of All Saints', Winnipeg. We arrived on a very cold night in February and my wife and I and our three sons have not forgotten the warm welcome received on the platform!

The eleven years since that date, including my absence on Active Service from December, 1939, to July, 1943, have passed quickly. They have been busy, happy and exacting years. For all Priests of this Parish of All Saints', with its far-flung area and its high standard of Sacramental Worship, the demands are unlimited and the challenge great.

Looking into the future, there is laid upon us the duty of maintaining the spirit of worship and service, and at this anniversary we do well to look back and remember the lives of many who in the years that have passed have contributed to this, and to realize what has been worked for, what accomplished, and what we will hand on.

I am very conscious as I write, of the absence of more than 260 of our Men and Women who are serving in the Armed Forces. I would that they were here to share in this anniversary. For many of them there have come experiences demanding courage and self-sacrifice beyond our conception. They are facing Reality and they will see it through, but their absence must be to us a stimulus and an inspiration because they are serving in our place. Therefore

upon our shoulders is laid the task of maintaining a spiritual wholeness of life and of translating it into the life of our country, and of seeking, guiding and teaching the children of this generation so that the time shall come when War will be no more. To this task we are solemnly committed.

There is no greater call today for us who serve at home, and on this Anniversary of our beloved All Saints', let us dedicate ourselves anew.

Yours sincerely,

A handwritten signature in dark ink, reading "William Askew". The script is cursive and fluid, with a large initial 'W' and a long, sweeping tail on the 'k'.

✠ A PRAYER ✠

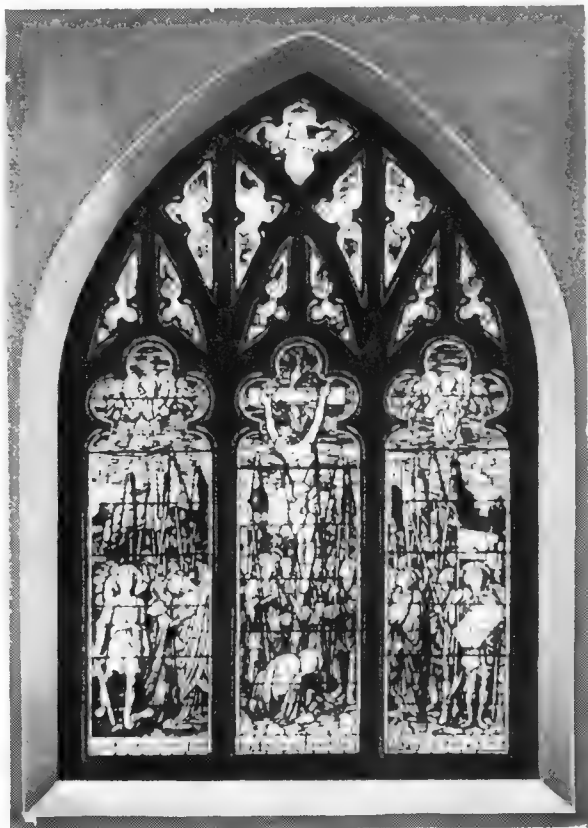

O Lord of Souls, who hast chosen and called us to service in Thy Church, all our trust is in Thee, for in Thee are the springs of our life.

Abundantly give us of Thy Blessed Spirit, without whom nothing is strong, nothing is holy.

Make our wills patient, our consciences pure, our tempers bright. Empty us of self and fill us with Thy Wisdom. Increase our faith, stir up our zeal, and enlarge our hearts. Let our lives enforce what our lips utter. Here let the true Faith and fear of God, with brotherly love, ever abide, and give us thankful hearts.

All this we ask for Jesus Christ's sake.

Amen.

## A BRIEF HISTORICAL RECORD

When some far-sighted churchmen decided to form a new parish on the outskirts of the growing city of Winnipeg, one of the most enthusiastic was C. J. Brydges the land Commissioner of the Hudson Bay Company, a very strong Churchman and Hon. Treasurer of the Synod of Ruperts Land.

A piece of land was bought opposite the barracks near Colony Creek, and a meeting was called in August 1883 to elect churchwardens and vestrymen, and the first service was held in the unfinished church in February 1884

The Church was dedicated on All Saints' Day of the same year, the Bishop of Ruperts Land the Very Reverend Robert Machray D.D. preaching the sermon. The following Clergy were present - The Reverend Canon Coombs - The Reverend Canon Grisdale - The Reverend C. Fortin and The Reverend E. S. Pen-treath. The Choir of Christ Church led the procession. Two years later the Communicants numbered 100 and Delegates were elected to Synod. Then the Choir, the Organ, Ladies' Aid (for there was

a mortgage), a school house and later, a larger school house, many gifts to beautify the church, stained glass windows, and many names of devoted men and women appear in the parish records as the years pass by.

In 1902 the parish was so strong that the first movement was made towards forming a Mission south of the Assiniboine River, in its infancy to be under the auspices of All Saints'. In 1904 a suitable lot was purchased and a church erected which is now the Parish of St. Michael and All Angels. In 1909 a Deaconess Aid Society was formed and a house taken over on Selkirk Avenue, and called King Edward Settlement House. The Rector hoped other parishes would join with All Saints' and undertake a definite share of charity work in the city. Miss Ratcliffe was first Deaconess. Unfortunately, the house had to close its doors in April 1913; but Miss Andrews undertook to carry on visiting and nursing as a Deaconess under the auspices of All Saints'. In 1917, the Clergy and Lay Readers of All Saints' had assumed responsibility for the conduct of services at another Mission, now St. Mark's in St. Vital.

In 1905 when the Rev. F. C. C. Heathcote became Rector there was the realization that the accomodation of the church was insufficient for the growing congregation, but nothing was done for various reasons until 1926 when the present building was erected.

During the period of the Rectorship of the Late Canon Walter Loucks there was a period of tribulation for the parish, many of her sons making the Supreme Sacrifice in the days of 1914 - 1918, as the many tablets and memorials on the walls of the church bear witness.

Following the Great War the matter of the new church building was re-opened, and during the Rectorship of the Reverend H. R. Ragg the matter of a church and site was settled as the City conceived the plan of extending Osborne Street north to Portage Avenue, necessitating the removal of the entire building.

The corner stone of the new church, on its new site west of the old one, was laid on September 25th, 1926 by the Lord Bishop of London and on the 23rd of December the church was dedicated. A great congregation sang the Te Deum, offering a thanksgiving for the completion of the undertaking which had occupied the minds of the parishioners continually for the past twenty years.

In 1934 the Rector started collecting photographs of past Rectors and also pictures of the church in its early and later years. The Hon. Mr. Justice Montague became interested and volunteered to bear the cost of reprinting and framing. There is now a gallery of historical photographs in the Rector's Vestry which makes a valuable addition to the parish records. It is hoped to add to this, as opportunity occurs.

## + THE LADY CHAPEL +

*Open Daily For Private Prayer and Meditation.*

— ENTRANCE OFF BROADWAY —

The Chapel of All Saints' Church in the South Transept contains the Altar, white hangings, brass Cross and Candlesticks which were originally used in the old Church. The Altar and Reredos were given by Mrs. Street, Mr. Fortier and friends as a Thanksgiving Memorial for the ending of Riel Rebellion in 1885. The Altar Rail, blue Frontal and Curtains were given by Mrs. Edith Richards, the widow of Mr. Justice Richards, in memory of her daughter, Muriel Mabel Richards, who died July, 1925. In the year 1927, Mr. and Mrs. H. G. Dawson brought from Jerusalem the little rug which is in front of the Altar. The two Standard Lights were the gift of Mr. and Mrs. R. W. Cooke, and Mrs. A. M. Stow.

On the north wall of the Chapel there hangs as a memorial to Major A. R. Bawdon, 8th Battalion, C.E.F., the original oak Cross which marked his grave at Hersin Coupigny, France, where he was buried August 15th, 1917.

Two of the beautiful stained glass windows are memorials to two very devoted members of All Saints'. The Sistine Madonna window at the north side of the Altar was presented by the Mothers'

Union in loving memory of Mary Ellen Clark who died September 29th, 1926. The window in the south wall, of St. Hilda, was given by friends to the memory of Harriet Edith Richards, who died in 1928 and "who loved this Chapel and worked for its adornment." The third window, of St. Mildred, was a gift from the members of the St. Mildred's Guild.

The Chapel is further beautified by some exquisite Arundel Prints. One, the Madonna and Child, was a gift from the Rector, the Honorary Major William Askey, E.D., upon his return to the Parish from Active Service, in July, 1943. All the others were the gift of Walter and Melande Bolton-Hill, in loving memory of the Rev. Robert Johnstone, LL.D., The Triptych was also given by Mr. and Mrs. Bolton-Hill to the Rector, at that time the Rev. H. R. Ragg, who presented it to the Chapel.

Inset in the west wall are three stones, one from Canterbury Cathedral, another from All Saints' Margaret St., both of which were brought from England by Miss R. Billett. A piece of ornamental stone from the outside of the East Window over the High Altar of Lincoln Cathedral, where the Rector, the Rev. William Askey, was ordained in 1912, was presented to him by the Dean and Chapter in 1939, when the Cathedral was undergoing certain repairs. So enshrined in our Chapel walls are reminders of those great Churches in the Old Land with which we are allied.

The oak chair near the prayer desk was made from the roof timbers of Brading Church, Isle of Wight, which timbers were about 600 years old.

In 1935, the Chapel was made truly beautiful; the walls were painted a maize colour, the ceiling blue and the old red hassocks were covered in blue repp. This work was undertaken by the Altar Guild while Mrs. Charles Taylor was President. The final touch was added in 1939 when the Women's Guild covered the central aisle and space at the back and front of the Chapel with blue linoleum. This was made possible by a generous and anonymous gift from a member of the congregation.

Day by day this Chapel is open. It is full of the atmosphere of Peace and Prayer for those who wish to pray and meditate.

*"Here may we prove the power of prayer  
To strengthen faith and sweeten care."*

### THE BAPTISTERY

In 1937 some friends of the late Dr. R. C. Johnstone undertook to beautify the Baptistry as a memorial to him.

The Font was raised on a hardwood platform; an oaken cover with wrought iron scroll work and handle was made for it, and the Font itself was thoroughly scrubbed and cleaned by the Rev. R. Henstock, the Curate at that time, and some of the boys of the Bible Class.

The Women's Guild gave a brass tablet which was placed on the wall over the Baptistry and on which is the following inscription:

To the Glory of God and in  
Memory of The Rev. Robert Cuth-  
bert Johnstone, LL.D, who for  
many years was associated with  
All Saints' Church, this Baptistry  
has been enriched and beautified.

Two pictures, one of the Infant Jesus and the other of the Good Shepherd, were presented by the Rev. and Mrs. William Askey in memory of their dear friend, Dr. Johnstone.

The Mission Work of All Saints' Church began in the year 1888, under the organizations known as the Guild of the Holy Innocents and St. Mildred's Guild - during the Rectorship of Rev. H. A. Tudor.

In 1892 the Holy Innocents' Guild became affiliated with the Diocesan Woman's Auxiliary as a Junior Branch with Mrs. H. F. Anderson as President.

In 1897 the branch was divided in two making a Senior and Junior Branch of the Woman's Auxiliary with Mrs. F. U. Baker, president.

The work has continued through the years until now the membership is 96; 50 active and 46 associate. Our Pledges, Dorcas, Thank-Offering and other obligations made our budget in 1943—\$693.84, and our motto continues to be . . .

"WITH GOODWILL DOING SERVICE."

### THE MOTHERS' UNION

An Enrolling Service was held at All Saints' on Lady Day, May 25, 1905, by Canon J. O. Murray of St. John's Cathedral. Thirteen members formed the pioneer branch of the Mothers' Union in Western Canada, this being the mother of all our Canadian branches.

The first Diocesan President was Mrs. C. C. Chipman, wife of the Governor of Hudson's Bay Company, and a member of All Saints'. Since that date we have provided three more Diocesan Presidents: Mrs. J. Hawker, Mrs. Wallace Murphy, and Mrs. J. S. Jones.

In 1942 the first Branch of the "Fellowship of Marriage" within the Mother's Union was formed in the Diocese. Mrs. Harvey Magee, a member of All Saints', is Diocesan representative.

### WOMEN'S GUILD

The Parish of All Saints' has been most fortunate in having a very active and devoted body of Women who began their work in 1884, known then as the "Ladies' Aid.". Early records show that the first Organ was paid for by their efforts, and from that date to the present time they have been constant in their efforts to provide furnishings, repairs and all other services towards the beautifying and upkeep of the interior of the Church, Rectory and Parish Hall.

In 1928 the Women's Guild as it is now called pledged \$1000.00 annually towards the reduction of the Church Mortgage. In December 1943 they had reduced it by \$20,925.00. In 1938 a Junior Guild was formed which is enthusiastically and capably carrying on side by side with the Women's Guild.

Thirty years have passed since I left All Saints', but my recollection of the happy eight years I spent as its Rector is fresh . . . For they were happy days; they could not fail to be with the splendid people who formed the congregation in those days. In thirty years many pass on; today only a few here and there remain to whom it was my privilege to minister, but the present congregation inherits the spirit of the past. Your Church which has advanced from strength to strength will have its best years ahead.

As you keep your Diamond Jubilee you have my best wishes for the future of All Saints' Winnipeg.

F. C. C. HEATHCOTE, Bishop.

My Dear Friends of All Saints':

It gives me the greatest pleasure to write a few lines of congratulation to you all on the occasion of the Diamond Jubilee of this beloved Parish.

I have been told that in the creation of this Parish, there was one main thought, and that was the building of a Church in which the Worship of God would be rendered in more musical Services than was the custom of the Anglican Church in Winnipeg at that time. To this object and tradition All Saints' has always been loyal, and in my nineteen years' knowledge of All Saints', it seems to me that, as the years have gone by, the Services have become more beautifully rendered than ever; and I have no hesitation in saying that I do not think there is any Church in Canada at the present time, where the Services are more beautiful and more reverent than in All Saints' Church, Winnipeg.

To have had the honour and joy of being Rector of the Parish when the new Church was built will always remain as one of my most treasured experiences, and the leaving of it, as many of my friends in the Parish know, was an extremely difficult thing to do. My wife and family and I look back upon our years in Winnipeg with the greatest joy, and our affection for the Parish and its people has never diminished and I am quite sure never will.

May God bless All Saints', and her Clergy and people in the years to come, and may she ever be loyal to that high tradition of Worship for which she has always stood.

Ever sincerely yours,

RICHARD CALGARY.

## All Saints' Church Endowment Fund

There is no need to stress the necessity for our Endowment Fund. Some form of permanent memorial is deeply desired by Parishioners who have found much happiness in All Saints'. Often the remembrance is more conveniently expressed in a gift to the Endowment Fund, whereby for all the years to come the gift remains of permanent benefaction.

There occurs at times an unavoidable ebb and flow in attendance in Churches situated on the fringe of downtown. There must be accumulated funds that guarantee the proper maintenance of the Church at all times and throughout all changing periods in the life of our City. That is the chief practical service of the Endowment Fund

All bequests are segregated and under the supervision of a Trust Company with all proper safeguards as to restricted investments. All names will be inscribed on a suitable plaque to be set in the West Wall of the Church in the near future.

The subscribers to the Fund at present are:
